COLOR BAGS

SUPPLIES
- Ziplock bag
- Shaving cream
  - Alternatives: use glue or milk
- Food coloring in two colors
  - Tip: Pick two primary colors

TRY IT OUT!
1. Put a few pumps of shaving cream into the ziplock bag.
2. Add the first drops of food coloring to the bag.
3. Add the second drops of food coloring to the bag.
4. Seal the bag.
5. Mix the colors together with your hands and see what new color appears!

LET'S TALK ABOUT IT!
What will happen when the second color is added? What would happen if you added a third color?

What does it feel like inside the bag? Introduce vocabulary like squishy, soft, smooth.
