COLOR WHEELS

SUPPLIES
- A piece of paper
- Pens/colored pencils/crayons
- Tape
- Straw
- Ruler
- Pair of scissors
- 1 permanent marker
- Circular item to trace (e.g. top of dixie cup, small bowl)
- Brass fasteners (optional)

TRY IT OUT!
1. Take the circular object and trace on a piece of paper.
2. Use a ruler to make lines on the circle (the number of lines will indicate how many colors i.e. six for six different colors, four for four different colors, and so on).
3. Cut out the circle with scissors and tape it to the top of the straw.
4. Optional step: Add brass fasteners to the top of the color wheel.

LET'S TALK ABOUT IT!
Find everything in your neighborhood that matches a color on the wheel.
Teach your child about shades by selecting one color with different shades from your color wheel.
Learn the names of colors on your wheel in multiple languages!
