Draw stripes in different colors on each end of the paper towel. Use as many colors as you want!

Pour water into two cups (¾ full).

Place the paper towel into the cups, with one end in each cup. Tip: not too deep!

LETS TALK ABOUT IT!

Make a prediction about what you think will happen before you start!

How do you think the colors traveled?

Experiment with different colors and test to see if certain colors travel at different speeds.
