Lay the bag flat on the table with the flap from the bottom of the bag on top. This flap becomes the face of the puppet.

Use the paper to make eyes, nose, hair, etc. Remember to add your puppet's eyes and nose to the flap.

Decorate your bag with other materials.

Put your hand inside the bag. Use your hand to open and close the flap.

Have fun making your puppet talk, sing, and play!

**LET'S TALK ABOUT IT!**

Does your puppet have a high voice or a scratchy voice?

What is your puppet's name? What do they like to eat for breakfast?

If your puppet could live anywhere in the world, where would they live?
