RAINBOW COFFEE FILTERS

SUPPLIES

- Basket coffee filters
- Washable markers
- Water
- Paper towels, napkins, or newspaper

TRY IT OUT!

1. Put down newspaper or paper towels before you get started. This can be a messy activity!
2. Use your markers to color and decorate your coffee filter.
3. Add water and let it drip onto the filter carefully.
4. Lay them out to dry and hang on a window to catch the sun!

LET'S TALK ABOUT IT!

- How does the color change when the water is added?
- What will happen if we add more water?
- Where do you see real rainbows? When can you find rainbows outside?
